AGM TRADING STATEMENT

Robinson plc ("Robinson" or the "Group" stock code: RBN), the custom manufacturer of plastic and paperboard packaging based in Chesterfield, is holding its Annual General Meeting today at 11.30am. The Chairman, Richard Clothier, will make the following statement.

"It is particularly satisfying to report sales growth of 15% in the first four months of 2018. Underlying volumes are 10% higher with the balance of the increase attributable to resin prices and foreign exchange rates. With higher costs associated with our plans for business growth, profits in this period are at a similar level to 2017.

There are significant investments in new projects planned to commence in the second half, and the outlook for the year remains in line with market expectations."
