

We're Hiring!

UK Health, Safety & Environmental Manager (Plastics)

If you have an appetite for a dynamic, fast paced environment with a drive to make a difference, then we want to hear from you!

Robinson specialises in sustainable, custom plastic and paperboard packaging with technical and value-added solutions, with sites in the UK, Poland and Denmark. We provide products and services to many global brands in the Food & Drink, Personal Care & Beauty, Homecare and Luxury Gifts markets.

Come join our international team of industry-leading experts.

We are proud to be working in partnership with the Ministry of Defence showing our commitment to be an Armed Forces Positive Employer

General job role: A unique opportunity has presented itself to the business and we are seeking someone who would be interested in working as a **UK Health, Safety & Environmental Manager (Plastics)**.

The main purpose of the role is to work within a framework of continuous improvement in HSE to provide a value-added service that is both efficient and effective. You will be a HSE ambassador throughout site by leading legislative guidance and ensuring training requirements are met, as well as promoting and supporting a collaborative HSE workplace culture.

Location: Kirkby-in-Ashfield, Notts.

Hours of work: 40 hours per week Monday to Friday
